**RE: Parkland County Public Hearing – 4.2 BL24-040 Bylaw 2024-22
Municipal Development Plan**

Dear Mayor Gamble and County Council:

BILD Edmonton Metro is a non-profit organization representing over 500 companies in the building and development industry. Our members are committed to shaping our region to ensure more people and businesses choose to live, invest, and thrive here.

We are writing to share our concerns regarding item 4.2 BL24-040 Municipal Development Plan (MDP). While we appreciate the opportunity to participate in the engagement process, we feel there has been a lack of transparency, leaving us uncertain about how stakeholder input has been considered. Despite our involvement in the available engagement opportunities, our feedback and comments have not been acknowledged or reflected in the draft MDP. This lack of clarity has raised questions about the inclusivity and effectiveness of the consultation process.

We kindly ask Parkland County to provide greater transparency in the MDP engagement process. Specifically, we are seeking clarity on how stakeholder feedback has been reviewed, considered, and integrated into the current draft.

As a trusted voice for the building and development industry, BILD Edmonton Metro remains committed to constructive collaboration and encourages Parkland County to re-engage with stakeholders to ensure the MDP reflects shared goals and priorities.

We look forward to your response and the opportunity to work together to achieve a comprehensive and inclusive plan.

Sincerely,
