

General Member Awards

Overview

The General Member Awards honour four (4) member companies for their excellent contributions to the planning, design, and construction of a community, home, or the built environment.

- Best Manufacturing / Supplying Member
- Best Installation Member
- Best Construction Service Provider
- Best Professional Service Provider

Guidelines

- All Builders' Choice Surveys submitted must be answering questions during the time frame of October 1, 2025, to September 30, 2026. The responses should reflect initiatives during that timeframe and should not be copied from any previous year's entries.
- Best Manufacturing/Supplying Member is for entrants who supply and/or manufacture a tangible product directly to a BILD Edmonton Builder/Renovator.
- Best Installation Member installs a tangible product directly to a BILD Edmonton Builder/Renovator.
- Best Construction Service Provider directly provides an intangible construction service to a BILD Edmonton Metro Builder/Renovator.
- Best Professional Service Provider directly provides an intangible professional service to a BILD Edmonton Metro Builder/Renovator.

General Member of the Year Award

Awards in this category qualify for the General Member of the Year Award. Please refer to the Tabulation Chart in the AOE Submission Guide for point allocation.

Number of Submissions

Maximum one (1) submission per award.

Submission Package

Follow the general instructions described in the AOE Submission Guide, as well as submit:

- Online entry form
- Any Supplementary Forms as outlined in the AOE Submission Guide.
- Contact Sheet for surveys
- A maximum of five (5) images, plans, or construction drawings may be submitted for review.

Evaluation

Each submission to an award in this category should detail how their submission has met the following criteria.

Criteria	Weight (%)
Description (What services did you provide and to whom, service levels, customers, satisfaction, responsiveness, accountability)	30%
Creativity, Innovations, and Special Qualities	20%
Evaluation, Success Metrics, and Contribution to Industry	10%

The following attachments will also be evaluated with the following weights:

Criteria	Weight (%)
*Builder Choice Surveys	25%
Award Materials & Attachments	15%

*Builders' Choice Surveys

Builders Choice Surveys will be sent out by BILD staff to the lists provided by entrants. A minimum of two surveys is needed to take the average score. If no survey responses are submitted, points will not be awarded in this category, if only one survey response is received the average score will be take between a score of zero (0%) and the submitted survey score.
